Physician Assistant – Orthopedic Consult Anderson

Individuals in the role practice medicine with the supervision of a licensed doctor of medicine or osteopathy. This individual will exercise autonomy in medical decision making and providing a board range of diagnostic and therapeutic services. This position is hospital-based working with an orthopedic surgeon on ortho trauma cases. Individuals in this role may assist in surgery, make hospital rounds, see cases in the Emergency Department, and perform other duties needed to assist the Orthopedic Consult Surgeon.

This position will cover locations in Anderson and Fishers. Schedule will be M-F; no nights, no weekends.

Certification/License Requirements

Required to maintain current CPR and Emergency First Aid certifications.

Certification through examination by the National Commission on Certification of Physician Assistants (NCCPA) and licensed by the Indiana Professional Licensing Agency.
