Physician Assistant (private)
Muncie

The **Physician Assistant** will practice medicine with the supervision of a licensed doctor of medicine. Individuals in this role exercise autonomy in medical decision making and provide a broad range of diagnostic and therapeutic services. The clinical role of this position includes primary and specialty care in medical and surgical practice settings.

This position will work with a board certified orthopedic surgeon focusing on total joint replacement. This position will have a combination of clinic and surgery responsibilities, as well as rounding and call.

Qualifications and Education Requirements

Graduation from an academic program accredited by the Commission on Accreditation of Allied Health Education Programs. One to two years professional experience as a Physician's Assistant preferred. OR experience and experience in orthopedics preferred, but not required.

Certification/License Requirements

Certification through examination by the National Commission on Certification of Physician Assistants (NCCPA) and licensed by the Indiana Professional Licensing Agency.
