

Surgical Nurse (RN) (Full-time)

Location: Muncie ASC

Why Join CIO?

Central Indiana Orthopedics has been proud to serve central Indiana for over 70 years. With offices in Muncie, Anderson, Marion and Fishers, CIO strives to be a trusted and preferred provider of orthopedic healthcare services for the communities we serve. Providing excellent orthopedic care while treating all people with dignity and respect is the core of who we are and what we do on a daily basis.

Employees enjoy a team environment with a focus on balancing their commitment to work life and home life. Additionally, eligible employees have access to excellent benefits which include:

- Consistent work schedules with no nights, weekends or major holidays
- Accrued paid time off
- Health, Dental and Vision insurance plans
- Company-provided life and long-term disability insurance
- A robust 401k retirement and profit sharing plan

What You Will Do?

- Perform pre- and post-op assessment for patients; perform and assess temperature, pulse, blood pressure, and respiration for assigned patients; and administer prescribed medications and delivery of care in accordance with nursing standards and under direction of physician and anesthesiologist.
- Carry out and monitor nursing process for assigned patients, which include assessing, developing, implementing, and evaluating a plan of nursing care for the patient.
- Anticipate patient needs for specific case utilizing physician preference card, knowledge and experience.
- Dispense medications as ordered and observe, record, and report patient's condition and reaction to drugs and treatments to physicians, maintaining accurate and timely updates in the patient's chart.
- Circulate and/or scrub as needed, maintain a sterile field at all times, assist with pain management procedures, and assist with anesthesia.
- Ensure all instruments, supplies, and equipment necessary during the surgical procedure are prepared in advance of surgery and have an understanding of the procedure being performed, anticipating the surgeon's needs in order to collaborate for optimum patient outcomes.
- Assist with timely room turnover and prepare the operating room for the next procedure.
- Assist in PACU as needed.

What You Will Need:

Qualifications and Education Requirements

Graduate of an accredited school of nursing and must hold a current Registered Nurse license to practice in the State of Indiana. Minimum of two years' experience as a Registered Nurse required. Experience as a surgical, perioperative, or critical care nurse preferred. Must maintain CPR and ACLS certifications.
