

Physical Therapist Assistant (Full-time)

Location: Fishers

Why Join CIO?

Central Indiana Orthopedics has been proud to serve central Indiana for over 70 years. With offices in Muncie, Anderson, Marion and Fishers, CIO strives to be a trusted and preferred provider of orthopedic healthcare services for the communities we serve. Providing excellent orthopedic care while treating all people with dignity and respect is the core of who we are and what we do on a daily basis.

Employees enjoy a team environment with a focus on balancing their commitment to work life and home life. Additionally, eligible employees have access to excellent benefits which include:

- Consistent work schedules with no nights, weekends or major holidays
- Accrued paid time off
- Health, Dental and Vision insurance plans
- Company-provided life and long-term disability insurance
- A robust 401k retirement and profit sharing plan

What You Will Do?

The Physical Therapist Assistant will help Physical Therapists provide physical therapy treatments and procedures. Individuals in this role may, in accordance with state laws, assist in the development of treatment plans, carry out routine functions, document the progress of treatment, and modify specific treatments in accordance with patient status and within the scope of treatment plans established by a Physical Therapist.

- Implements and executes an established patient treatment plan under the supervision of a licensed Physical Therapist. Reports any changes in patient status or needs to supervising Physical therapist in a timely manner.
- Instructs, motivates, safeguards, and assists patients as they practice exercises or functional activities. Observes patients during treatments to compile and evaluate data on their responses and progress and provides results to the Physical Therapist through direct communication and progress notes.
- Measures patient's range-of-joint motion, body parts, and vital signs to determine effects of treatments or for patient evaluations.
- Communicates with patient, families, referring physicians and other members of the team in an effective and timely manner. Provides information and education to patients and care givers regarding the goals and processes of the therapy provided and devices used.
- Provides timely written documentation as required by insurance provider to meet regulatory, reimbursement requirements and physician treatment plan.
- Prepares and submits patient charges accurately to provide appropriate billing information in a timely and consistent manner.

What You Will Need:

Qualifications and Education Requirements

Graduation from a Physical Therapist Assistant education program accredited by Commission on Accreditation in Physical Therapy Education (CAPTE) is required. Must be credentialed the Indiana
