

## Concussion Management

*Central Indiana Orthopedics is dedicated to taking care of athletes in the communities we serve. The following organizations are covered by our athletic training outreach program, including treatment for concussion management. Student athletes from these organizations, ages 13 years or older, seeking treatment for concussion management should request an appointment for an evaluation or call the Concussion Hotline at 765-213-3883.*

*Alexandria High School  
Delta High School  
Frankton High School  
Lapel High School  
Mississenewa High School  
Monroe Central High School  
Muncie Burris  
Muncie Central High School  
Pendleton Rugby Club (High School Age Members)  
Yorktown High School*

*Student athletes from a school/organization not on this list should refer to their primary care provider or neurologist for clearance.*
